COMMUNITY HEALTH COLLABORATIVE PLEDGE

A Community Health Collaborative is a diverse group of community leaders, members, and advocates that have come together to share their skills and resources to build a healthier community. As a Collaborative, your group is dedicated to creating a culture of health in your community.

In support of the It's Time Texas Community Challenge,

I _____, representing the _____ Collaborative

PLEDGE TO:

- » Sign this pledge and upload a photo of member(s) of this CHC holding the pledge to the Community Challenge app.
- » Encourage other members of our Community Health Collaborative as well as our community to sign and upload an Individual Community Challenge Pledge.

I recognize that a healthy community is more united, more productive, and more prosperous. As a result, I am committed to the health of my community and pledge to make our community a model for others to follow.

MY COLLABORATIVE IS UP TO THE CHALLENGE!
